OFFICIAL INSPECTION REPORT

Facility: **TAQUERIA LA ESQUINA** Address: 1200 Ejemplo Ave, Oakland, CA 94601 Owner: Taqueria La Esquina LLC	Facility ID: FA0000123 Program: Restaurant 1-25 seats Inspection date: 10/21/2026 Inspection type: Routine	Score: **77** Placard: Yellow Re-inspection: on or before **10/28/2026**

MAJOR: CDC RISK FACTOR VIOLATIONS

#	Violation and observation	Pts	COS
7	Improper hot holding. Cooked pinto beans in steam table measured 118°F; must be held at 135°F or above. Beans discarded.	4	Y
9	Handwashing sink in prep area blocked by stacked containers; no soap at dispenser. Sink cleared, soap supplied.	4	Y
12	Raw chicken stored above ready-to-eat salsa and cut produce in walk-in cooler. Items rearranged.	4	Y

MINOR: RETAIL PRACTICES

#	Violation and observation	Pts
24	Wiping cloths stored on counter, not in sanitizer solution.	2
25	No thermometer inside reach-in cooler #2.	2
31	Two food handlers without valid food handler cards.	2
33	Employee personal items stored above prep table.	2
38	Floor under fryer has grease buildup.	1
40	Light shield missing over dish area.	1
42	Bulk containers of rice and flour not labeled.	1

COS = corrected on site. Major violations must stay corrected. Minor violations must be corrected by the re-inspection date. The yellow placard must remain posted where customers can see it until the re-inspection. Failure to correct may result in a re-inspection fee or closure.

Inspector comments

Two or more major violations observed and corrected during inspection; facility receives a conditional pass. Re-inspection will verify hot holding at 135°F or above, clear and stocked handwashing sink, and correct cold storage order (raw meat below ready-to-eat foods). Provide food handler cards for all food employees within 30 days.
